

**ANYONE SHOWING SYMPTOMS OF COVID-19 OR WHO MAY HAVE BEEN EXPOSED TO COVID-19 SHOULD NOT BE AT SCHOOL.**

**Parents, please complete the following screening for all of your scholars before dropping them off at school each day.**

1. Since they were last at school, have any of the children you are dropping off been diagnosed with COVID-19?

- YES
- NO

**If a child is diagnosed with COVID-19 based on a test, their symptoms, or is showing symptoms without a COVID-19 test, they should not be at school and should stay home until they meet the criteria below.**

2. Have any of the children you are dropping off had close contact (within 6 feet for at least 10 minutes) with someone diagnosed with COVID-19 in the last 14 days, or has any health department or health care provider been in contact with you and advised you to quarantine?

- YES → **The child should not be at school.**
- NO → Proceed to Question 3

3. Do any of the children you are dropping off have any of these symptoms? Note, symptoms related to a known chronic condition that are unchanged should not be considered reason to exclude.

- Fever ( $\geq 100.4^\circ$ ) or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore Throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

**If a child has any of these symptoms, they should go home, stay away from other people, and the family should contact the child's healthcare provider.**
