

WHAT IF SOMEONE GETS SICK AT SCHOOL?

Step 1

Scholar or employee reports symptoms of Covid-19 at school

Step 2

Scholar is isolated from other scholars and parents are notified to come pick him/her up
Staff members will immediately go home

Step 3

Areas where scholar or employee spent time will be thoroughly cleaned and disinfected.

Step 4

Scholars and families will be notified of possible exposure. (The CDC and MCHD consider risk for exposure as being within 6 feet of someone for 10 minutes or more.)
