

## HERITAGE ACADEMY

*"Building America's Heroes"*

32 S. Center, Mesa, AZ 85210

10 August 2022

Dear Parents and Friends of Heritage Academy,

Welcome to another school year. Even though we have seen many changes in scholars, teachers, and campuses throughout the 28 years since being one of the first charter schools in Arizona, we can assure you that our commitment to our mission has not changed. In part, our mission statement says:

“While teaching the academic disciplines, Heritage Academy is dedicated to instilling into the minds and hearts of today’s youth a knowledge of and respect for the ideals and values of the great men and women of history, including those who founded the American nation.

“As today’s rising generation gains an appreciation of these people of accomplishment, they will be ready to provide the selfless service to their fellow citizens and to their country which will be required in the coming years to assist in preserving America’s greatness. Heritage Academy exists to this end.”

One of the methods we have to ensure that all our staff understands our mission is to require all employees to attend a *Making of America Seminar* at least once every three years. This one-day seminar explores where America’s Founders got their good ideas and how they implemented them into our founding documents. This exciting story of America’s beginning reveals that the Founders had answers to nearly every problem we have in America today. It is a story that is sadly not taught in most schools today, hence, the social confusion which exists.

In today’s climate where parents are becoming increasingly alarmed when learning what is sometimes taught to their children in many schools, and in the spirit of openness, we are inviting all parents and interested friends to attend our next regular seminar on Saturday, September 17<sup>th</sup>. The details are contained in the attached flyer. This seminar will be taught by Earl Taylor, Jr., the founder of Heritage Academy. We guarantee you will be thrilled with the real story of America and be able to make sense of the social confusion which exists, especially during an election year. It is also timely because September 17<sup>th</sup> is Constitution Day, being 235 years since the signing of the U.S. Constitution on September 17, 1787.

So, we invite you and your friends to be with us. While walk-ins are welcome, we urge you to [follow the directions at this site and register your attendance](#) so we can make sure we have enough materials for each attendee. What a great way to start the new school year, especially with your teen-age children.

Regards,

Jared Taylor  
Chairman/CEO
